

PROFILE

AS 9100D	: 2018
ISO 14001	: 2015
ISO 45001	: 2018
IATF 16949	: 2016

1	Year of Establishment	2004	
2	Contact Person	V. B. Tamboli (DIRECTOR)	
3	Shareholders' Funds (Equity + Reserves) as of March 2023 (INR Million)	911.52	
4	Sales & Other Income in Financial Year April 2022 to March 2023, in INR Million	851.22	
5	Annual Output, in Metric Tons	Installed Capacity	800
6	Number of Employees	Workmen	400 (Direct and contract)
		Plant Staff	80
		Commercial & Administrative Staff	35
8	Transport	Connected by rail, road and air. Nearest airports: Bhavnagar (BHU) and Ahmedabad (AMD).	
9	Products	Investment Castings (Lost-Wax process) in Ferrous and Non-Ferrous alloys. Pieces of weight up to 65 Kg. fully machined, treated and ready-for-use components.	
10	Industries served	Automation, Aerospace and Aviation, Valves & Pumps, Pneumatic, Automotive, Mass transit, Pharmaceutical and Food processing, Electrical & Electronics, Instrumentation, Dairy & Food Processing, Earthmoving Machinery, Paper and Pulp Industries, Printing, Textile Machinery, Architectural components, Compressors, Cutting Tools, Machine Tools, Locomotives, Hand Tools, and many more.	
11	Strengths	11.1.0 Participative environment, motivated team and well developed systems. 11.2.0 Above 40 team members Six Sigma Green Belt Certified by TUV. 11.3.0 Young team, average age of employees is below 35 years. 11.4.0 Reliability and consistency in our performance. 11.5.0 Accepting the challenge of rapid development of complex new items including fully machined, treated and ready-for-use components.	
12	Area of Works, in sq. metres	12.1.0 Land Area	48,000.00
		12.2.1 Production Area	9,500.00
		12.2.2 Inspection Room Area	480.00
		12.2.3 Storage Area	2,000.00
		12.2.4 Others	8,000.00
		12.2.5 Total Built up Area	19,980.00
13	History	2004	Company was incorporated. Recognised as 100% Export Oriented Unit by Ministry of Commerce & Industry, Government of India.
		2006	Commercial Production commenced.
		2007	Received ISO 9001:2000 certification from TUV NORD, Germany.
		2008	Received ISO 14001: 2004, OHSAS 18001: 2007, TS 16949:2002 certification from TUV NORD, Germany.
		2010	Received PED 97/23/EC & AD 2000-Merkblatt W0 quality certifications from TUV NORD.
		2014	First Investment Casting Company in India to receive the AS 9100C certification (Technically Equivalent to EN 9100:2009). Accredited by TUV NORD, Germany.
		2017	First Investment Casting Company in India to receive accreditation of IATF 16949. Accredited by TUV NORD, Germany.
		2019	Achieved NADCAP-NDT accreditation from PRI-USA (National Aerospace and Defence Contractors Accreditation Program in NDT)
		2023	Received EN 15085-2, Green House Gase(GHG) verified according to ISAE 3410 meeting requirement of ISO 14064-1 and NORSOK M-650 certification from TUV NORD, Germany.
		2024	As part of sustainable development goals (SDGs), TCL has installed approx, 1 MW photovoltaic captive solar plant.
